Fact Sheet: FootballMania 17 Week (\$25 Fundraiser)

How to play

FootballMania is an exciting sweepstakes fundraiser based on professional football. You earn 70% profit for every \$25 CharityMania Ticket you sell. Sweepstakes participants can win \$1,000s in prize money based on the results of the football teams printed on the backs of their sweepstakes game cards.

Game cards contain 3 random teams in each of the 17 weeks of the professional football season. To play the game, participants simply add up the points scored by the 3 teams printed on their cards in a given week. Each week, the 16 highest scoring cards, and the 3 lowest scoring cards, win prizes!

Winning game card example

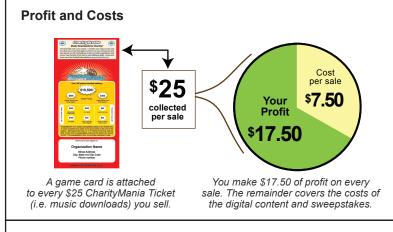

Say your game card has these teams one week:

Team	Points scored
Chicago	42
Green Bay	35
San Diego	41
Total points	118

If your card's teams score more total points than any other card, then you win the top prize for that week!
