FootballMania Fantasy Sweepstakes Rules

[1] Your game card is randomly assigned 4 professional football players for the last four weeks of the pro football season (game begins on 12/5/13). Your card is assigned a quarterback, running back, and two receivers / tight ends. [2] Prizes are awarded at the end of each of the four weeks to the 20 game cards whose players score the most total combined fantasy points relative to all other cards in a given week. The 5 cards that score the least total points also receive prizes. Grand Prizes are awarded to the one card with the most, and one card with the least, total combined points scored over all four weeks. [3] If two or more game cards are tied with the same score, prizes will be combined and split. [4] Minimum odds of winning: 1 in 25 over all four weeks; 1 in 100 in each week; 1 in 1500 for a grand prize. [5] No purchase necessary to play. Void where prohibited. [6] Sweepstakes ends on 4/20/2014. [7] To enter the sweepstakes, the organization on the front of this card must activate the card number. To request a free game card, ask the organization in person (see contact info on front of card) for a "free game card request form," complete the form, and mail to the address shown on the request form along with a self-addressed stamped envelope postmarked by 12/4/13. A game card will be assigned to you and mailed in the return envelope sent with your form. [8] See website for additional details and to view winning game cards.
